

FOR IMMEDIATE RELEASE  
10AM EDT, JULY 27, 2010:

## **BPM Technology Company Launches Fall Webinar Series** Business Process Management Expert to Deliver Several Free Webinars

Cleveland, Ohio, July 27, 2010—Nationally recognized business process management (BPM) expert, John M. Cachat, President of Silico Corporation, will deliver several Webinars during the upcoming months to address the total cost of quality within organizations, and how to effectively and efficiently improve processes and reduce waste, often yielding an ROI in under three months.

The series launch places a deep focus on the increasing role of technology in the healthcare industry, quality management systems (QMS) and document management. Event names and dates are as follows:

- *Three Things You Must Know About Technology in the Evolving Healthcare Industry*  
August 24<sup>th</sup> & September 16<sup>th</sup>
- *Next Generation Quality Management Software*  
August 19<sup>th</sup> & September 9<sup>th</sup>
- *Document Management 101*  
August 26<sup>th</sup> & September 14<sup>th</sup>

These Webinars are free for the public, however space is limited. For detailed event descriptions and easy registration, visit the Events page on Silico's website. [www.silicocorp.com/events](http://www.silicocorp.com/events)
